

## Curriculum vitae

### Personal information

• First and last name	<b>Milica Vujosevic</b>
• E-mail	<a href="mailto:milicavujosevic@yahoo.com">milicavujosevic@yahoo.com</a>
• Nationality	Montenegro
• Year of birth	1986
• Gender	Female

### Education

2009 – 2015	<b>PhD in Architecture</b>
Average grade 9.54 /10.0	University of Belgrade, Faculty of Architecture, Belgrade, Serbia, <a href="http://www.arh.bg.ac.rs">www.arh.bg.ac.rs</a>
• Orientation	Architectural technology, energy-efficient housing and bioclimatic design
2007 – 2009	<b>M. Arch. - Master of Architecture</b>
Average grade 9.69/10	University of Belgrade, Faculty of Architecture, Belgrade, Serbia, <a href="http://www.arh.bg.ac.rs">www.arh.bg.ac.rs</a>
• Orientation	Urban planning
2004 – 2007	<b>B. Arch. - Bachelor of Architecture</b>
Average grade 9.49/10	University of Belgrade, Faculty of Architecture, Belgrade, Serbia, <a href="http://www.arh.bg.ac.rs">www.arh.bg.ac.rs</a>
• Orientation	Architecture

### Personal competences

• Knowledge of languages	<b>Fluent:</b> English, Czech, Serbian, <b>Basic:</b> German, Italian
• Technical skills	Proficiency in <b>AutoCAD</b> , <b>Photoshop</b> , <b>Sketch Up</b> , <b>Microsoft Office</b> (Word, Excel, PowerPoint, Outlook, and Project); building energy modeling experience in <b>Energy Plus</b> and <b>Open Studio</b> .
• Driver's licence	„B“ and „C“ categories, since 2004.

### Work experience

April 2016 – present	<b>Independent expert</b>
Research and Innovation	Research Executive Agency of the European Commission, Luxembourg, <a href="http://www.ec.europa.eu/research">www.ec.europa.eu/research</a>
• Reference	Krzysztof Nichczyński, Project Officer/Policy Officer, <a href="mailto:krzysztof.nichczynski@ec.europa.eu">krzysztof.nichczynski@ec.europa.eu</a>
• Main activities	Works as an independent expert (evaluator) in the evaluation of the project proposals submitted in response to the Horizon2020-ICT-2016-1 call for proposals, topic 21 – "Support technology transfer to the creative industries".
September 2009 – present	<b>Architect and project manager</b>
Architecture, tourism, R&D	Entrepreneur
• Main activities	Designs, constructs and supervises reconstruction works on the residential and commercial buildings. Promotes architectural designs on competitions and exhibitions. Writes professional articles in the periodicals. Participates in the architecture related initiatives for preservation of modern architecture as a NGO founder (KANA / ko ako ne arhitekt Montenegro, Docomomo Montenegro) and activist (Association of Serbian Architects). Writes project proposals for funding of activities.
January 2011 – June 2016	<b>Research Assistant</b>
Research & Development	Institute of Architecture and Urban & Spatial Planning of Serbia, Bgrade, Serbia, <a href="http://www.iaus.ac.rs">www.iaus.ac.rs</a>
• Reference	Mila Pucar, PhD, Scientific Adviser, Project Manager, <a href="mailto:mp@iaus.ac.rs">mp@iaus.ac.rs</a>
• Main activities	Participated in the scientific research project in the field of architecture and urban planning; presented the results on the scientific conferences; published the results in the national and international journals and conferences proceedings; assisted in organization of scientific meetings.
January 2013 – July 2015	<b>Teaching assistant</b>
High Education	University of Belgrade, Faculty of Architecture, Belgrade, Serbia, <a href="http://www.arh.bg.ac.rs">www.arh.bg.ac.rs</a>
• Reference	Professor Aleksandra Krstić-Furundžić, PhD, <a href="mailto:akrstic@arh.bg.ac.rs">akrstic@arh.bg.ac.rs</a>
• Main activities	Worked with students on "Studio design" course within Bachelor and Master Studies. Subject of the course was the design of energy and environmentally sustainable city hotel and exhibition pavilion, respectively. Presented information about improvement of the building's energy efficiency and the implementation of new technologies in building's envelope; worked in academic surrounding.
March 2011 – March 2012	<b>Architect</b>
Architectural design	Modul d.o.o, Podgorica, Montenegro
• Reference	Ing. Veselin Đukanović, Founder and CEO, <a href="mailto:modul@t-com.me">modul@t-com.me</a>
• Main activities	Assisted in architectural and urban designing; made investment and technical documentation for the residential and public buildings.

## Teaching experience at the university

---

- University University of Belgrade, Faculty of Architecture, Belgrade, Serbia, [www.arh.bg.ac.rs](http://www.arh.bg.ac.rs)
  
- 2014/2015 **Studio design**  
 Master studies, second semester  
 • Professor / reference Prof. Aleksandra Krstić-Furundžić, PhD, [akrstic@arh.bg.ac.rs](mailto:akrstic@arh.bg.ac.rs)  
 • Main activities Worked in a studio of 16 students, guided students through the design process of the hotel building, lectured about sustainability and energy efficiency, trained students to perform building energy modeling and simulation, reviewed and graded student projects, assisted professor in everyday work.
  
- 2014/2015 **Studio design – Architectural construction**  
 Bachelor studies, fourth semester  
 • Professor / reference Doc. Aleksandar Rajčić, PhD, [rajcic@arh.bg.ac.rs](mailto:rajcic@arh.bg.ac.rs)  
 • Main activities Worked in a studio of 28 students, guided students through the design process, lectured about commercial buildings, integrated design process, characteristic details, plumbing installations, reviewed and graded student projects, assisted professor in everyday administrative work.
  
- 2012/2013 **Studio design**  
 Master studies, second semester  
 • Professor / reference Prof. Aleksandra Krstić-Furundžić, PhD, [akrstic@arh.bg.ac.rs](mailto:akrstic@arh.bg.ac.rs)  
 • Main activities Worked in a studio of 16 students, guided students through the design process of the hotel building, lectured about hotel buildings, sustainability, energy efficiency and building envelope concepts, reviewed and graded student projects, assisted professor in everyday administrative work.

## Research experience

---

- Title of PhD thesis **Models of energy efficient city hotels in Belgrade climate conditions**  
 • Description The influence of the design method on the improvement of the energy efficiency of buildings, analyzed on the atrium type hotel building.
  
- Reviewer for the scientific journal **Thermal Science**, published by Vinča Institute of Nuclear Sciences, Belgrade, Serbia; IF 1.222; ISSN 0354-9836; from the Thompson-Reuters SCI List.
  
- Participation in the scientific research project Participated as a PhD candidate in scientific research project “**Spatial, Environmental, Energy and Social Aspects of Developing Settlements and Climate Change – Mutual Impacts**”, which was financed within the program Technological Development by the Ministry of Education, Science and Technological Development of the Republic of Serbia from 2011 to 2016. Project was led by the Institute of Architecture and Urban & Spatial Planning of Serbia, headed by Mila Pucar, PhD.
  
- Scientific conferences Participated at 9 international and 8 national conferences with papers.
  
- Published scientific and professional papers Published (alone, as first author or co-author) following papers:
  - 1 Paper in the leading international scientific peer-reviewed journal,
  - 9 Papers in the international conference proceedings,
  - 8 Papers in the national conference proceedings,
  - 2 Book sections,
  - 8 Articles in the professional periodical.

## Industry experience

---

- Membership **Association of Serbian Architects**, from 2013, [www.asa.org.rs](http://www.asa.org.rs)
- Authorization **Architectural Association of Montenegro**, from 2016, [www.sacq.me](http://www.sacq.me)
- Authorization **Serbian Chamber of Engineers** - Professional architectural exam for authorized architect, 2012.
  
- Project documentation 2007-2015 Participated (alone or with associates) in the following:
  - 2 Interior designs, reconstruction and supervision of reconstruction works,
  - 1 Complete technical documentation,
  - 7 Architectural design proposals,
  - 2 Competitions for architectural design and urban planning proposals,
  - 1 Strategy of spatial development.
  
- Exhibitions and catalogues 2009-2015 Exhibited or published the designs in the following:
  - 5 Exhibitions, 3 Catalogues.
